

Soft Goods

Job Title: Industrial Sewist

Location: Corktown Factory, Detroit

Employment Type: Full Time (40 hours a week)

Pay Range: \$16 - \$18/hour depending on experience and skill set

Soft Goods is a knitwear-focused cut & sew factory in Corktown, producing high-quality garments for our own line and partner brands across the world. We manage the entire process in-house and take pride in American-made craftsmanship, consistent quality, and a skilled production team that brings each piece to life.

Role Overview

As part of our production team, you'll be responsible for assembling garments using industrial sewing equipment. Proficiency with an industrial serger/overlock machine is required; experience with industrial coverstitch machines is a strong plus. This role involves following established methods, meeting daily production goals, and sewing knitwear garments—such as tees, sweatshirts, and robes—with accuracy and consistency at production speed 40 hours a week.

Skills Needed

- Proficiency operating an industrial serger/overlock machine (required)
- Experience working with knitwear in a production setting.
- Experience with industrial coverstitch machine is a plus
- Ability to sew accurately and consistently at a steady production pace
- Open to continuous improvement
- Strong communication skills and ability to work well within a team
- Positive attitude, reliability, and willingness to learn
- Strong attention to detail and critical thinking/problem-solving skills

Benefits

- Employer-sponsored health insurance (Medical)
- Paid time off and sick time available.
- Being part of a skilled team producing high-quality, American-made knitwear
- Early Fridays: 8:15 AM – 5:15 PM (Mon-Thu), 8:15 AM – 2:45 PM (Fri).

How to Apply:

Interested candidates should email their resume and two reference contacts
